Hope for the New Year

With the economy in a lowly time and people not knowing what to do, I'm so glad we still have hope. And hope's name is Jesus Christ! **Romans 12:12** "Rejoicing in hope; patient in tribulation; continuing instant in prayer;"

Hope is something that we all need in order to keep on keeping on. First Priority provides hope thru the name of Jesus Christ to all middle and high school students in the Tri-County area. In fact since September of this year we have saw 95 salvations in our schools. That means 95 people have found hope!

Public Schools Greatest Mission Fields

Help us to pray for our student leaders that they would keep the excitement after CHRISTmas.

You see most years our clubs go down in excitement when the kids come back in January. They want it to snow and school be called off. So help us to pray for the God of hope to continue to excite your students to reach their friends.

Students are the key. When they get excited about following Christ, they bring others alongside them. Then other students hear the gospel, then they get excited and the evangelized become the evangelist. So in short, STUDENTS REACH STUDENTS!

Decisions for Christ
